

## Crazy Patch No. 03 Instructions

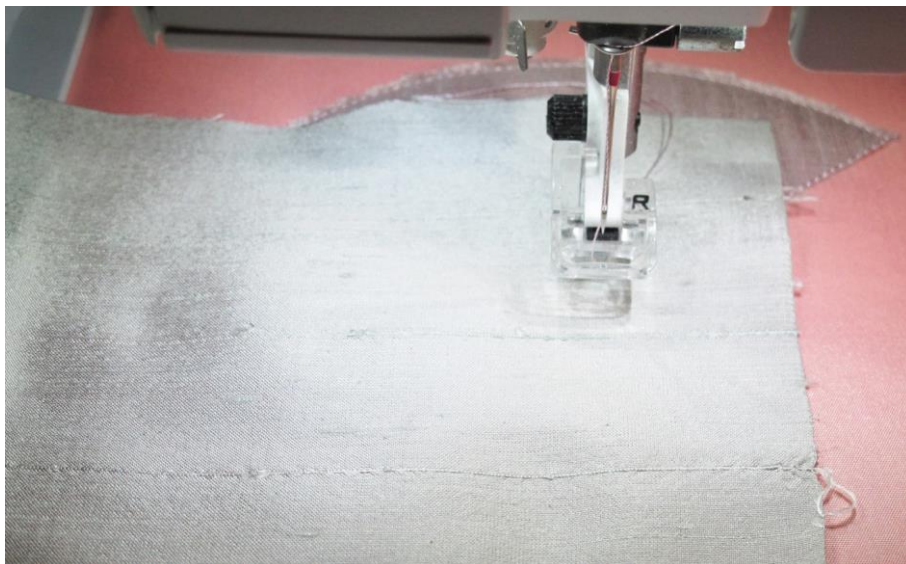

### Notions

1. 1 meter or 1 yard of fabric
2. ½ meter or ½ yard of thin wadding
3. 4 6 inch round embroidery hoops
4. Hot glue gun
5. Scraps of different coloured fabric

Stitch the first coloured thread out in the colour chart

Select a fabric of your choice, large enough to cover the stitches you just stitched out

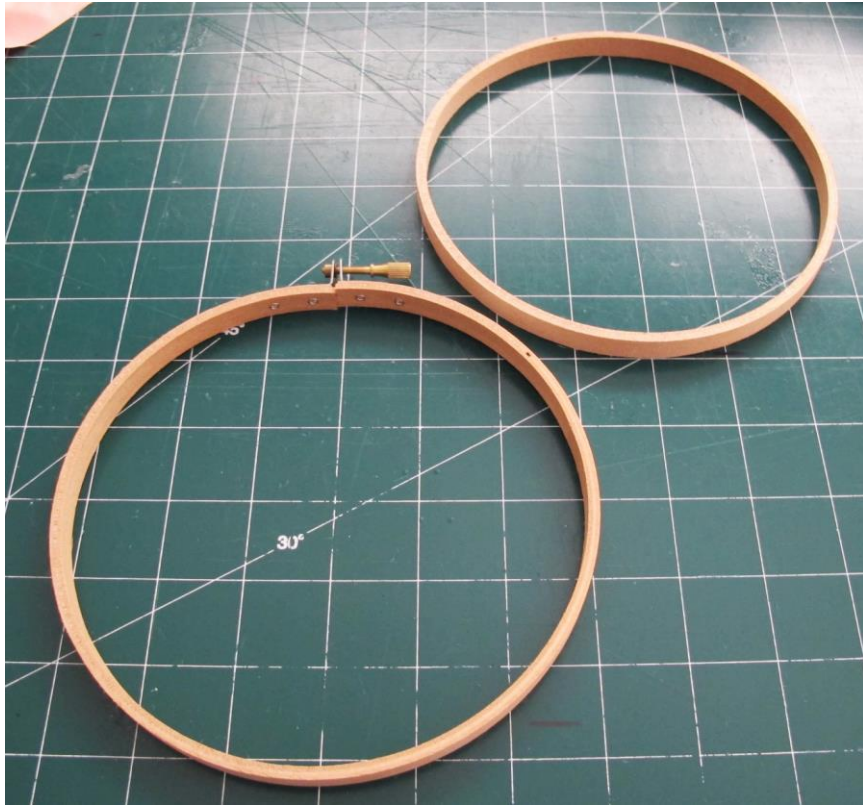

Stitch out the second coloured thread in your colour chart

Take the hoop out of the machine and using a sharp pair of scissors cut the fabric from the stitching, insert the hoop back into the machine

Showing you the finished applique look

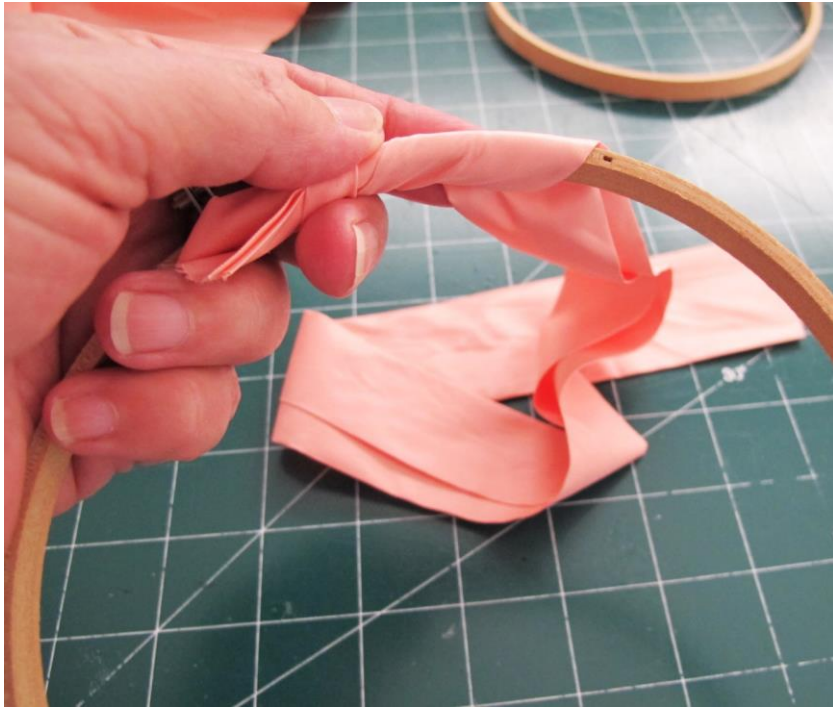

These are the 6 inch wooden Frames used for all four Crazy Patches

Cut excess fabric leaving enough fabric to fold over the internal hoop

Cut a long strip of fabric, iron each side over

Wind the strip of fabric around the outer hoop

Using your hot glue gun, glue the ends of the fabric strip down

Position your design in the centre of the inner hoop

As you can see in the photo above the finished look, to cover the screw of the embroidery frames I hot glued a matching bow at the top
